

Pad Handle System

Shank's® Pad Handle System ("Handles") is a series of vinyl corners and connectable straps, that can easily be attached to a larger Shank's® Foam Pad for ease of handling and movement. The Handles are offered in various sizes, to accommodate a variety of foam pad sizes. All vinyl corners are Royal Blue.

Materials

- 22 oz. vinyl coated polyester corners with binding for a finished edge
- 1-1/2" polyester connecting straps
- 1" polyester lifting handles (sewn to corners)

East of Use

Handles are easily connected and can be easily removed to allow for storage when not in use.
