

D/L Shoulder Support

The Shank's® D/L Shoulder Support ("Support") is a triangular shaped accessory designed to be connected to a Dorsal/Lateral Equine Table, for extended shoulder support.

Support

- Support is 18" long x 12" wide
- Support is reversible and can be used on either side
- Support is designed to be connected to a Table corner wing
- Adjustable head support then connects to the Support (see attached drawing) for desired usage

Foam Pad

- Support includes a separate 12" thick pad, that matches the Support shape and allows for the Support to be flush with the Table surface and the 10" lateral Table pad
